There were sixteen cases of drunkenness in the Police Court this forenoon. Among them were white men, Portuguese, Japanese, natives and negroes.

Oahu College and the preparatory school connected therewith, opened this morning. There was an excellent showing in both places.

A water pipe and tree stump opposite the office of the Rapid Transit railroad office on Alapai street are a menace to both pedestrians and horses using the road.

The case of the Japanese who strangled his child Saturday afternoon will come up in the Police Court tomorrow forenoon. The man will be charged with murder in the first degree.

The Rosita challenge cup about which there has been so much talk and which was reported as having been lost, is now safely reposing in the room of Prince David Kawananakoa at Wai-kiki. It seems it never was lost.

There were in the neighborhood of three hundred Hawaiians at the Murphy meeting at Ewa yesterday. The meeting lasted from 11 a. m. to 3:30 p. m. There was a rousing time. Representative F. W. Beckley interpreted the remarks of Mr. Murphy.

Japanese and other caritably inclined persons who have learned of the destitute condition of the wife of the Japanese who strangled his youngest child Saturday afternoon, are interesting themselves in her behalf and money is being contributed for her relief.

The careless starting of car 29 of the Rapid Transit Company last evening nearly caused an accident to Mrs. J. K. Miles. She was boarding the car at the corner of Punchbowl and Hotel streets when the car was started, and but for a bystander who caught her the lady would have been tarred and feathered.

On account of the holiday on Saturday next the steamer Kinai will arrive from Hilo on Friday next so as to give Hilo and Maui people a chance to come here and witness the celebration. The Lehu and Claudine for the same reason will arrive from Molokai and Maui ports on Saturday morning early.

Welan, a native, Suda, a Japanese and Ah Hoon, a Chinaman, were arrested Saturday night on the charge of being present at a gambling game. All three pleaded guilty and were fined \$10 and costs each. Three different interpreters were needed before the work of the court in the case could be finished.

Hakawa and Hokea appeared in the Police Court this forenoon on the charge of affray. Both men pleaded guilty but the Japanese tried to get out of the trouble by saying that he was in his own store at the time of the trouble. He stated, among other things, that the native had entered a store, bargained for a watermelon, ate the same and then refused to pay for it. Both the defendants were fined \$6 and costs.

The St. Antonio Society opened its new hall in Vineyard street, near Emma, Saturday evening. There was a reception and ball at which some eight hundred people were present. The committee on entertainment and refreshments was as follows: A. J. Silva, J. T. Figueroa, F. Correa, J. J. Carroca and S. B. Arruda. The reception committee was composed of the following: M. A. Silva, J. P. Rodriguez and M. T. Partado.

Theodore Richards was the speaker at the meeting of the Y. M. C. A. Sunday afternoon. His discourse was in two parts. The text for the first part of the discourse was taken from the Acts: "But ye shall receive power, after that the Holy Ghost is come upon you; and ye shall be witnesses unto me both in Jerusalem and in all Judea, and in Samaria, and unto the uttermost part of the earth." The text for the second part was from Corinthians: "And God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work."

MARY L. AND GLADYS.

The yachts Mary L. and Gladys went at each other yesterday for the first time since the former has been made over. There was a good wind and the Mary L. carried all her sails, including a topsail. Running out the channel she gained steadily on the Gladys and kept the lead in the race until the latter was within a few minutes of the finish when she was overtaken and defeated.

The Gladys, however, is not in racing trim, as she has been in the water eight months without cleaning. Under the circumstances she is not in as good condition to sail as the Mary L., which is clean off the ways. At the present time, however, it looks as if Tommie Hobron's boat would have to look well to her laurels to keep the championship in the first-class yacht race.

Of the large boats there seems to be a probability that most of them will have to go without cleaning, unless the work of caulking and coppering the steamer Mikahala is soon done. She now has the marine railway, and the way at the Heaiani boat house are considered not safe to put the larger boats on.
